

PAHOKEE ROBOTICS

"Empowering Minds, Engineering Futures Together"

Pahokee Middle-Senior High School | 900 Larrimore Road, Pahokee, FL 33476

Phone: (561) 924-6400

Dear Community Partners and Supporters,

Pahokee Robotics proudly represents the Glades community through FIRST Tech Challenge (FTC) with five competitive teams and over 50 student engineers, coders, and innovators. Our students come from Pahokee, Belle Glade, and South Bay. A rural community where opportunities in STEM are limited, but talent is abundant.

This season, our teams achieved extraordinary results, proving that with the right support, Glades students can compete and win against programs with far greater resources:

Team	Number	2025-2026 Achievement
Mechatronics	#16333	FUN LEAGUE REGIONAL CHAMPIONS & Reach Award Winners
Dynamics	#21922	3rd Place Inspire Award Winners
Rising Phoenixes	#23812	Control Award Winners
Bender Bots	#16724	Think Award Winners / 2-Time State Attendee / 2024 State Finalist
Mechamotion (8th)	#31423	Rookie Season — Building the Future

WHY YOUR SUPPORT MATTERS

Running five FTC teams costs approximately \$20,000+ per season. Each team requires registration fees, a competition game field, league fees, robot parts, transportation, and food for students at multi-day events. Our students fundraise tirelessly — from taco sales to cookie campaigns — but community sponsorship is what closes the gap between participation and excellence.

Your investment goes directly to students: every dollar funds parts, competition access, or travel so no student is left behind due to cost.

PROGRAM-WIDE FINANCIAL SUMMARY

Total Program Expenses (5 Teams)	\$20,664.12
----------------------------------	-------------

Your sponsorship ensures every student from rookie 8th graders to award-winning state competitors has the resources to succeed.

PARTNER WITH US — HOW TO SUPPORT PAHOKEE ROBOTICS

Becoming a sponsor is simple, and every contribution — large or small — directly equips a student in the Glades. Here is exactly what your sponsorship pays for and how to get started today.

What Your Sponsorship Funds

- Team registration, league fees, and FIRST Tech Challenge game fields (\$800+ per team)
- Robot parts, motors, sensors, and electronics (GoBilda, REV, batteries)

- Tools, build supplies, and safety equipment for our robotics lab
- Transportation to 6+ league meets, regional competitions, and the State Championship
- Lodging and meals for student-athletes at multi-day state events
- Team uniforms, banners, pit displays, and professional outreach materials
- Mentorship and outreach programs for elementary and middle-school students in the Glades

Three Easy Ways to Give

1. Mail a Check

Make checks payable to Pahokee Robotics and mail to: 900 Larrimore Road, Pahokee, FL 33476.

2. In-Kind Donations

Donate materials, tools, software, meeting space, transportation, meals, or professional mentorship. We will recognize your gift at the equivalent sponsorship level.

3. Custom & Corporate Partnerships

Multi-year commitments, matching gifts, naming rights, and team-specific sponsorships are available — contact us to design a partnership that fits your goals.

Ready to sponsor? Reach out today and your logo, name, or family can be on our robots, banners, and shirts before our next competition.

SPONSORSHIP LEVELS & PERKS

Choose the level of partnership that fits your organization. Every tier includes meaningful recognition and tangible visibility across our five teams, competitions, and community events throughout the 2025-2026 season.

TITANIUM CHAMPION \$5,000+

Top-tier presenting partner of Pahokee Robotics.

- Premier logo placement on all five team robots, banners, pit displays, and team shirts (largest size)
- "Presented by [Your Company]" naming rights on the team trailer/transportation graphics
- Dedicated feature post and quarterly spotlight on all team social media accounts
- Logo and link on every printed and digital sponsorship document for the season
- VIP invitation for up to 6 guests to all home competitions, demo days, and end-of-season banquet
- Certificate of appreciation, framed team photo, and personalized thank-you video from the students
- Opportunity to host a robot demo or career-day visit at your facility
- Public recognition in press releases, school announcements, and community newspaper features

PLATINUM SPONSOR \$2,500+

Major sponsor with full-season visibility.

- Large logo on team shirts, competition banners, robots, and pit booth signage
- Named sponsor recognition during competition introductions and award ceremonies
- Featured sponsor highlight post on all four team Instagram accounts
- Logo on all printed sponsorship and outreach materials
- VIP invitation for up to 4 guests to home competitions and end-of-season banquet
- Framed certificate of appreciation and team thank-you card
- Tour and behind-the-scenes visit to the robotics lab

GOLD SPONSOR \$1,000+

Strong supporter with year-round recognition.

- Medium logo on team banners, robots, and pit booth signage
- Logo on team shirts (medium size)
- Sponsor recognition post on team social media accounts
- Logo listed on team sponsorship handouts and event programs
- Invitation for up to 2 guests to home competitions
- Certificate of appreciation and team photo
- Recognition at school assemblies and community events

SILVER SPONSOR \$500+

Community partner powering everyday team operations.

- Logo on team competition banners and pit booth signage
- Sponsor mention on team social media accounts
- Name listed on team sponsorship handouts
- Invitation to attend home competitions
- Certificate of appreciation
- Newsletter feature in our season recap

BRONZE SPONSOR \$250+

Friend of the program — every dollar reaches a student.

- Name on team competition banner
- Sponsor shoutout on team social media accounts
- Name listed on sponsorship handouts
- Certificate of appreciation
- Newsletter mention

COMMUNITY SUPPORTER \$100+

Grassroots support from neighbors, alumni, and small businesses.

- Name listed on team sponsorship handouts
- Recognition on team social media accounts
- Thank-you card from the team
- Newsletter mention

In-Kind & Custom Partnerships

We also welcome in-kind donations of materials, tools, software licenses, meeting space, transportation, meals at competitions, and professional mentorship. In-kind contributions are valued at fair market price and recognized at the equivalent sponsorship level. Custom partnerships, multi-year commitments, and team-specific sponsorships are available, please reach out to discuss.

YOUR IMPACT

Your sponsorship does more than fund robots, it funds futures. Our students develop skills in engineering, programming, project management, public speaking, and teamwork. Many of our alumni have gone on to pursue STEM degrees and careers, breaking cycles of poverty in one of Florida's most underserved communities.

We also give back: our teams mentor younger robotics teams in local elementary and middle schools, creating a pipeline of future engineers in the Glades.

HOW TO CONTRIBUTE

Checks may be made payable to:

Pahokee Robotics

Pahokee Middle-Senior High School

900 Larrimore Road

Pahokee, FL 33476

Thank you for considering sponsorship of Pahokee Robotics. Your partnership not only helps us compete but shows the youth of Pahokee, Belle Glade, and South Bay that their community believes in them.

Sincerely,

Pahokee Robotics Program

"WE ARE DEVELOPING FUTURE GLOBAL LEADERS!"
